NEWSLETTER

September 9, 2020

Dear Parishioners,

I hope you are all doing well and staying healthy. As you may recall from your last Newsletter in early August, Saint Peter's has been conducting services every Sunday at 9:30am. Morning Prayer was performed, unless Deacon Marion was available to perform a Deacon's mass with communion.

On September 13, 2020 Sunday School will begin at 10:00am and a Eucharist Service will be conducted by clergy beginning at 10:30 am. Music will be provided either by an organist or a recording will be used, however no singing is allowed due to the Diocesan guidelines. When hymns are played you may hum along or use this time for reflection. The church will continue to be sanitized, no prayer books or hymnals will be used. The service will be printed on our bulletins.

Until the guidelines are relaxed by the Diocese, facemasks are required. Saint Peter's hopes to see you there to start to reunite our parish family.

As always if you require any help or assistance or would like to be visited by clergy please contact the parish office.

Sincerely,

George M Roskos III

Senior Warden
